Enjoy a close-up view of Europe aboard the modern private train. Exciting journeys feature scenic daytime travel with stops en route to intriguing places. Wake each morning ready to discover a new destination where you can opt to join the “included” sightseeing tours, explore on your own or simply linger on board. Return to a freshly prepared meal, served as the train continues to its next port-of-call. All meals are included during your journey along with complementary wine, beer and soft drinks in the elegant Restaurant and Lounge cars.

Listed as one of the world’s top 25 trains, the Danube Express is headquartered in Budapest and offers deluxe private carriages--roomy 83.4 square feet with ensuite bathrooms and beds that fold into daytime seating.
